

What's a meal
you remember
from your
childhood that
you still love?

What's one
thing you
could talk
endlessly
about?

When do you
feel most like
yourself?

What makes
you feel like
home even
when you're
far from it?

If you could
relive one day
in your life,
exactly as it
was, which day
would it be?

What's one
thing you love
about yourself
that you wish
more people
noticed?

Who is one
person who
has shaped
your life in a
significant
way?

What is
something
small that
makes your
day better?

**What's one
memory that
always makes
you smile?**

**How do you
like to spend a
perfect
Saturday?**

**What hobby do
you have that
doesn't match
people's first
impression
of you?**

**What's one
thing you tend
to overprepare
for?**

**What kind of
problems do
you enjoy
solving?**

**What's
something you
know more
about than
people expect?**

**What is a
small thing
that means a
lot to you in a
friendship?**

**What is
something fun
you did this
year that you'd
do again in a
heartbeat?**
